# Join us in beautiful Lake Tahoe...

...for this can't-miss event! It's the perfect time to get together for four days to share ideas, successes and challenges with other industry colleagues, and benefit from the business relationships and friendships that only the FPDA/ISD Joint Industry Summit provides.

## **Why should you attend this year's FPDA/ISD Joint Industry Summit?**

The meeting content will truly take you to new heights! The educational workshops, a few of which will be member-driven TED-style sessions, along with inspiring and energizing keynote presentations will facilitate extensive networking and thought-provoking discussions.

## **KEYNOTE SPEAKERS**

### **TIM DAVID**

#### **Opening: 7 Magic Words**

Monday, September 24, 2018

9:15 AM – 10:45 AM

Like you, author and influential communication expert, Tim David is frustrated by what is happening to the quality of human connection in our modern world. Can more connection really increase the bottom line and improve the quality of our lives at the same time? Will better human connection really make us better leaders, better salespeople, and better co-workers? Join us to find out.

### **STEVE MCCLATCHY**

#### **Closing: Leading Relationships**

Wednesday, September 26, 2018

8:00 AM – 10:00 AM

If you are in business today you are in the business of relationships. The skills of communicating effectively, working with multi-generational teams, setting expectations, gaining commitment, building trust, resolving conflict and getting others to follow through can be the most important skills you will ever develop as a leader. In this presentation you will learn the keys to success in each of these areas. If your success is determined by your ability to work successfully through others and you're ready to develop skills that will help you in today's ultra-competitive, hyper-connected, global business environment this is a presentation you won't want to miss.

# EDUCATIONAL WORKSHOPS

## **PAM KRIVDA**

### **HR Applications**

Tuesday, September 25, 2018

8:30 AM – 9:15 AM

### **Dealing with the Difficult Decisions**

Tuesday, September 25, 2018

10:30 AM – 12:00 PM

We will tackle three tough, practical situations for employers: safely terminating employees; managing difficult employees; and three agreements that employers will find very useful. In the session, we will talk through some very practical ways to handle difficult personality types that seem to show up in every workplace.

## **BETH ZIESENIS**

### **Secret Tech Weapons for Distributors**

Tuesday, September 25, 2018

8:30 AM – 10:00 AM

What if you could schedule a meeting without having to send three dozen emails to find a time everyone could meet? Or automate your little tasks that keep you from your real work? Or pass off annoying projects to someone else – without breaking the bank? And what if you could pull all of this off straight from your mobile device – without an IT degree? This high-energy session will give you 30+ tools that will leave people asking, “How DO they do that?”

### **How We Can Learn to Stop Worrying and Love Artificial Intelligence**

Tuesday, September 25, 2018

10:30 AM – 11:15 AM

When someone brings up “artificial intelligence,” do you picture armies of robots that put you and your fellow educators out of work? It’s time to stop fearing a future where AI technology is all around us... because that time is already here. Join Your Nerdy Best Friend for a primer on artificial intelligence and a surprising list of apps that are powered by AI. You’ll leave the session with practical tools that you can start using right away to make your life easier, all powered by AI and machine learning.

“Nearly everything I know about Fluid Power distribution, I learned from FPDA, or from the relationships I made through the FPDA. There is, quite simply, no faster way to go from rookie to expert in our industry.”

– **Alex Wheelock, Connector Specialists**

## JOINT INDUSTRY SUMMIT GOLF

**Links at Squaw Creek Golf**

Sunday, September 26, 2018

12:00 PM - 6:00 PM

\$175 per person, includes greens fee, cart, lunch and prizes.

Surrounded by six majestic Sierra peaks, the Links at Squaw Creek is a championship Robert Trent Jones Jr. golf course that rests serenely at the base of Squaw Valley | Alpine Meadows near Lake Tahoe, California. Their magnificent course is the culmination of ten years of extensive planning and careful handling of the environment. Renowned golf course architect Robert Trent Jones Jr. designed Links at Squaw Creek to preserve the unique beauty, natural wetlands, and wildlife habitat of Squaw Valley. The spectacular result is a natural golf course that blends in with its beautiful mountain surroundings.
